PROFILE

Passionate about software development, programming, and modern IT solutions, with a strong interest in building innovative and efficient applications. Committed to continuous learning, problem-solving, and leveraging emerging technologies to create impactful solutions.

EDUCATION

Master of Computer Science and Engineering (2025 - 2027)

- National Engineering College (Pursuing) **GPA : 9.0**

Bachelor of Computer Science and Engineering (2021 - 2025)

- Francis Xavier Engineering College **CGPA : 8.83** (First Class with Distinction)

HSC (2019 - 2021)

- St John's Matric Higher sec School **Grade : 90%**

SSLC (2018 - 2019)

- Sivanthi Matric Higher sec School **Grade: 85%**

SKILLS

- **Programming Languages:** Java, Python, SQL
- **Web Technologies:** HTML, CSS, ReactJS
- **Development Tools:** VS Code, Eclipse, Jupyter Notebook
- **Areas of Interest:** Web Development, Machine Learning, Deep Learning
- **Soft Skills:** Team Collaboration, Problem-Solving, Adaptability, Time Management

PROJECTS AND INTERNSHIPS

- **Transformer-Based ECG Analysis for Early Myocardial Ischemia Detection**

Developed a deep learning system using Transformer models on ECG signals for cardiac analysis, improving prediction accuracy for early detection of abnormalities.

- **Coronary Heart Disease Prediction using Comparative Machine Learning**

Built a predictive system using clinical datasets for disease classification, comparing multiple machine learning algorithms and evaluating performance using accuracy and AUC metrics.

- **Personalized Career Roadmap Generation**

Developed a web-based career guidance system using ReactJS and Python. The application provides career recommendations, skill gap analysis, and resume guidance through an interactive and user-friendly interface.

- **Web Development Intern | Digisailor, Tirunelveli**

Worked as a Web Development Intern, gaining practical experience in ReactJS and frontend development. Developed and deployed a responsive portfolio website with a focus on user-friendly design and functionality.
